

Temptop Instrumentation

Engineering Solutions & Calibration / Testing

Engineering Solutions, Manufactures & Calibration / Testing

- Pressure ● Level ● Flow ● Temperature
- Test & Measuring Master Instruments
- Water Quality ● Weights & Measurements
- Particle Counters ● Air Quality

About us

We the **Temptop Instrumentation** committed to supporting our customers in achieving excellent outcomes in the evolving business of building automation. Modern building automation is based on versatile, precise and high-quality measurements. We have learned that achieving optimal energy efficiency or indoor comfort requires more than that.

They benefit from collaboration with our experts in manufacturing process instrumentation and control, who also have the know-how and passion for helping customers navigate the world of intelligent solutions, open technologies, and faster project execution.

We are dedicated to offering our customers solid expertise in building automation as a result of over 6 years of our existence. This expertise manifests in a wide product offering combined with competent local service and support wherever our customers operate. We aim to be the number one choice as a reliable partner for all our customers.

G2, Mahalaxmi Complex, Opp.Nehru Nagar Water Tank,
Gokul Road, Hubballi - 580 030. (Karnataka) Bharat

OUR PRODUCTS

- ❖ Temperature Sensors - Customized RTD & Thermocouples
- ❖ Process Instruments-
- ❖ Flow Meters (Vortex, Mass & Electromagnetic)
- ❖ Pressure & Vacuum Transmitters / Gauges.
- ❖ Switches - Flow level temperature humidity pressures
- ❖ Paperless recorders
- ❖ Level Instruments (Radar & Ultrasonic)
- ❖ PID Controllers / Indicators
- ❖ Test & Measuring Instruments
- ❖ Dry Block Temperature Calibrators, Humidity chambers, Oil baths
- ❖ Master Sensors, Pressure Calibrators / Comparators
- ❖ Digital Master Pressure & Vacuum Gauges
- ❖ HVAC / Air Quality Monitors / Particle Counters
- ❖ Cold Chain Monitoring Solutions & Data Loggers
- ❖ Online Water Analyzers (pH, Conductivity, Turbidity, Chlorine, TOD, COD, BOD & TSS)
- ❖ All kinds of Electrical & Pneumatic Actuated Valves
- ❖ Automation Valve Accessories like SMART Positioner (F/B), Limit Switch Box, Solenoid Valves, etc.
- ❖ All kinds of Inductive Proximity Switches, Optical Switches, Vibration Transmitters & IR Sensors

Authorised Distributors :

Elitech Technology Inc
Temtop - USA

CALIBRATION & TESTING SERVICES

Authorized license holder from Karnataka state Legal Metrology Department for repair & stamping services of weighing systems, flow meters, storage tanks & filling stations.

- ❖ **Temperature & Humidity Calibration :**
RTDs, Thermocouples, Temperature Gauges, Temperature Controllers & IR Guns
- ❖ **Pressure Calibration :**
Pressure & Vacuum Transmitters/ gauges
- ❖ **Flowmeter Calibration:**
Mass Flow Meters, Water /Steam Flow Meters
- ❖ **Analytical Calibration:**
pH, Conductivity, TDS
- ❖ **Mass & Weights Calibration:**
Analytical Balances, Standard Weights
- ❖ **Dimensional Calibration:**
Vernier Calipers, Micrometers, Dial Gauges
- ❖ **Electrical testing/ Calibration:**
Energy Meters, Multi-meters, Power Supplies, Clamp Meters
- ❖ **Electrical Testing (CEIG Approved):**
Energy Meters, Ammeters, Voltmeters, CT & PT Testing
Relays & Breakers, Earth Pit Testing, Oil Filtration & OLTC Services
- ❖ **Temperature Mapping & HVAC Validation**
- ❖ **NABL Traceable Calibration Standards**
- ❖ **On-site & Off-site Service Availability**
- ❖ **Overhauling Services for All Types of Valves**
- ❖ **Industrial Air Quality Testing, Stack monitoring & Ambient Air monitoring as per KSPCB/CPCB Compliance.**
- ❖ **Diaphragm Seal replacement and refurbishment of pressure transmitter and DP type level transmitters.**

INDUSTRIES WE SERVE

- ❖ Pharmaceutical & Clean Room Facilities
- ❖ Food & Beverage Processing
- ❖ Dairy & Milk Processing Plants
- ❖ Sugar Industries
- ❖ FMCG Manufacturing Units
- ❖ Distilleries & Breweries
- ❖ Steel & Metal Industries
- ❖ Cement Plants
- ❖ Power Generation Plants
- ❖ Oil & Gas Industries
- ❖ Chemical & Petrochemical Industries
- ❖ Water & Wastewater Treatment Plants
- ❖ HVAC & Building Automation
- ❖ Cold Storage and Warehouse / Logistics

OUR VALUABLE CLIENTS

FOOD CORPORATION OF INDIA
